#### Papa Samya Conclusion.

The reduced unit papam in 7&8 of female is 0.219 and that in 7 of male is 0.234. The excess papam in male is within allowable limit . The overall reduced unit in female is meagre and not serious.

**SO THERE IS PAPASAMYAM.**

Note on Papasamyam and Kujadosha samyam :

Presence of evil planets Kuja, Sani, Rahu, Kethu and Ravi in bhavas 1, 2, 4, 7, 8, 12 from Lagna, Chandra, Sukra & certain evil yogas in the horoscopes of couples cause unhappiness in the marital life like severe quarrels, incompatibility, separation, early death etc. If these evils in the two horoscopes are more or less equal, the bad effects are said to be cancelled. The papam is calculated considering the natural evil of planets and their positions like Ucha, Neecha, Mithra, Sathru rasi etc. The Papam in 7 & 8 of female is to be balanced with the Papam in 7 of male. The total Papam in both horoscopes are also to be balanced. Reduction in Papam due to drishti & yoga of benefic planets are also considered.
